Education

Stony Brook University - Stony Brook, NY

Expected Graduation: May 2027

Bachelor of Science in Computer Science (GPA: 3.5/4.0)

Relevant Coursework: Object Oriented Programming, Data Structures, Discrete Math, Programming Abstractions

Emma Willard School - Troy, NY (High School)

Sep 2019 – June 2023

Experience

College Counseling Student Worker, Troy, NY

Apr 2023– June 2023

- Helped college counselors mentor students with the college application process
- Peer mentored juniors with the college application process (essays, researching colleges, advice on building their application, etc.)
- Organized activities for the junior class to learn useful tips about the college process.

Projects

Music Service Player

Apr 2023– June 2023

- Developed a music service application to manage users, playlists, and songs
- Implemented classes for MusicService, User, Playlist, and Song, incorporating key features such as user management, collaborative playlists, song sorting, and playlist duration calculation
- Applied OOP principles including inheritance, encapsulation, and the Comparable interface to ensure efficient data handling and maintainable code structure

Portfolio Website

- Created a visually appealing website using HTML and CSS with a responsive design
- Included sections to showcase my biography, skills, and projects
- Implemented interactive elements such as a contact form, hover effects, and links for more contact information.

Skills

- Programming Languages: JavaScript, Python, Java, C/C++ (exploring), HTML, CSS
- Microsoft Office Suite (Excel, PowerPoint, Word), Marketing, Canva, Video Editing
- Languages: English, Bengali, Hindi
